

It's Simple

- **Choose an option**
Contact your installing dealer for pricing and purchasing options best for your needs.
- **Purchase comprehensive coverage**
Get peace of mind for costly repairs and replacements.*
- **Enjoy reliable service**
Repairs can be scheduled at a time convenient for your schedule and will be performed by your trusted installing dealer or an authorized HVAC technician.

Purchase coverage in conjunction with your dealer's maintenance program and feel confident knowing your HVAC unit will be professionally maintained.

*Coverage is subject to detailed terms and conditions, including exclusions and limitations on the amount of coverage.

Service contract provided by Service Net Warranty, LLC, part of AIG, or one or more of its affiliates. Limitations and exclusions apply. See your terms and conditions for further information. If the service contract is paid monthly, it will be subject to a 30 day wait period from the initial purchase date. Annual plans are subject to a 90 day wait period from the initial purchase date. If your installing dealer is not available, we will locate another third-party technician to handle service needs. For additional information, please visit our website at www.AIG.com.

The value of comfort

Understanding protection options for your home's heating and cooling equipment from Comfort Promise Extended Service Plans

We offer multiple options to fit your needs:

Labor Only*

- Covers cost of labor for electrical or mechanical repairs
- 3-, 5- and 10-year plans available

Parts Only*

- Covers cost of parts used for repair
- If applicable, extend 3- or 5-year to 10-year parts warranty

Comfort Promise Plan Benefits

Fully Transferable: Plans are fully transferable and can be a great added benefit to a new homeowner.

Maximize Coverage: Units that were purchased from, and installed by, an authorized Comfort Promise dealer within a period of the past five years could have options of up to 10 years of added coverage.

Experienced Technicians: Service will be performed by the installing dealer you trust, or an authorized provider best available.

One Simple Call for Service: Call your Comfort Promise dealer if your system needs repair.

Get Started and Stay Covered: Coverage can begin as early as 31 days from the day the plan is purchased.

Think Ahead

Typically, the manufacturer's warranty on an HVAC unit only covers the parts of the equipment. Our plans help ensure you're covered on the expenses for labor. On the average repair bill, labor makes up 70% of the cost.

Simple Service Solution

If your system fails, you want it fixed fast. Comfort Promise provides coverage you can rely on for labor expenses and no out-of-pocket costs for deductibles or fees for trips to your home.

Avoid Potential Unexpected High Costs

Common Repairs	Average Cost ¹
Motor cost	\$500
Leak	\$700
Coil	\$850
Compressor	\$850

¹ Parts covered by OEM. Actual incidents and repair costs may vary.
